

The COI 2024 membership campaign has begun!

During our 31 years of activity, we have never stopped striving for social equity through oral care for everyone, as stated in our Mission: **“To promote basic oral health in low-income countries and among the most vulnerable segments of the population in Italy”**.

**Becoming a member of COI** by making a bank transfer or by paying the annual fee in cash will allow us to continue our projects in prevention, care, research, and training in the dentistry field, both in Italy and abroad. We hope that you will also want to be part of this community by joining the COI 2024 membership campaign.
